Mobile Home Disposal Policy

General:

This policy outlines the customer requirements, charges, and surcharges for the disposal of Mobile Homes in the Oglethorpe County C&D Landfill.

Requirements:

- All mobile home disposals will be scheduled through the public works department. Any unscheduled deliveries may be refused. Confirmation of scheduled is a required a minimum of 24 hours in advance. OCPW may cancel or postpone deliveries due to unexpected or unforeseen conditions.
- Mobile home axels must be removed by the customer upon deliver without impeding the flow of normal deliveries to the C&D landfill. Failure to remove axles will result in a surcharge to the customer.
- All non-wood furniture and appliances (including hot water heaters) must be removed prior to delivery. Failure to remove furniture and appliances will result in a surcharge to the customer.

Charges:

- The current charge for dispose of mobile homes is \$0.60 per square foot plus any surcharges. Charges for disposal of mobile home may change without notice. Square footage is determined by the physical exterior dimensions of mobile home. Payment is required upon delivery. Acceptable forms of payment include **cash and check only.**

Surcharges:

- There will be a surcharge for axels, furniture and/or appliances. Surcharges are currently as follows and may change without notice.
 - Axes (Not Removed by Customer) \$50.00/each
 - Furniture \$25.00/each
 - Appliances \$25.00/each
